

Dr. Clint A. Baggett
Haleyville City Schools
Superintendent's Report
To the Public
BOE Meeting
11/23/10

- 1. First tonight, congratulations goes to our Cross Country "Running Lions" for their high finishes in the State Meet. The girls team finished 3rd in the State, this is the highest finish since 1982 for the girls. The boys team, lead by 4A State Champion Fabian Cortez finished second and brought home the coveted "Red Map of Alabama" trophy! A great job by all of the student runners and coaches Lisa Cook, Kyle Garrison, with volunteer coaches Howie Lyons and Bill Barringer. It has been real nice having Coach Lyons back in action and out of retirement!**

- 2. Haleyville City Schools and especially our special education department has been awarded recognition "For outstanding leadership in the use of technology by promoting literacy success" by the Don Johnston Foundation. Haleyville Schools' initiatives using the program SOLO will be showcased on the Don Johnston website under "Schools Making the Grade" section. We are honored with this recognition and it is another validation that "our teachers teach and our students learn."**

- 3. The Alabama Association of School Boards recognizes members who have achieved levels in the School Board Member Academy during 2009-2010 Academy year. School board members achieving Level IV, Master School Board Member status will be recognized at the annual convention**

next month in Birmingham. We have two members that have achieved Master Level that we congratulate tonight, Ms. Sandra Manasco and Mr. Larry Burleson. Also, it is a pleasure to present Mrs. Beth McAlpine with a “Certificate of Achievement” for completion of Level 1 of the Academy in her first year of service to our board. Haleyville is blessed that all our board members participate in professional development activities of AASB whenever possible and as a school and community we salute all of you for going above and beyond the required.

- 4. The next Regular Session of the Haleyville City Board of Education is scheduled for Tuesday night, December 14, 2010 at 7:00, with a Work Session before if needed. The December meeting will be earlier than usual due to the Christmas Break.**

- 5. Our “Technology Spotlight” tonight is Mrs. Emily League Johnson, HHS English teacher and head volleyball coach, to demonstrate a new technology for use with our Smart Boards called an interactive response system where students have a handheld response device or a “clicker” as they are referred to. The teacher can know immediately if students understand what they’ve just been taught. Each student in the class can communicate their grasp of the concept, or not, with just a click of a button. We will need to go into the Media Lab Room for this demonstration.**

A G E N D A
