- 3. On behalf of Haleyville City Schools, a thank you is given to Mayor Ken Sunseri and City Council members: Jonathan Bennett, Royce Benefield, Richard Bittenger, Drew Thrasher, and Bud Wilson for understanding and acknowledging that the city and school system are partners in the quest to improve the lives of all Haleyville citizens. Nobody likes a tax increase, but everybody wants the best city services for all and the best education for our children. We applaud these men for having the foresight and courage to face the financial shortfall of both the city and school head-on and take steps to put us on a better financial standing to continue the needed and wanted services. Two new sources of revenue have been created and the inclusion of the school system is a true partnership that has been long awaited. Thank you again mayor and council for your service to our community along and for understanding what a “city” school system is!**
  
- 4. On a personal note and collectively for the Board, a “Very Merry Christmas with a Happy and Safe New Year” is sent to all of our school family: our faculty and staff; students; parents; and to all supporters of Haleyville City Schools. May this be a time for reflection of the blessings we have with special meditation and anticipation of the true message and meaning of this season.**
