- 1. Haleyville City Schools have long prided itself on having outstanding faculties. We strive to have the very best teachers possible for our students in order for them to be successful. It is with much pride that I announce Mrs. Beth Townsend, our democracy and economics teacher at Haleyville High School, has been chosen by the Veterans of Foreign Wars as the VFW State of Alabama "High School Teacher of the Year." This is an outstanding honor and is further proof that Haleyville teachers are top-notch! Mrs. Townsend first was named the local and district winner, then selected as the top teacher in the State as her credentials were compared to other district winners across the state. We congratulate and celebrate with Mrs. Beth Townsend, VFW High School Teacher of the Year for the State of Alabama.**
  
- 2. We also like to highlight our students who do well in athletic and academic competitions. Kudos goes to Anna Blake (AB) Lowe on winning our local Annual Spelling-Bee competition. AB will now compete in the County Spelling-Bee to be held at Meek School next month. Congratulations to AB Lowe, Haleyville's Spelling-Bee Champion!**
  
- 3. Continuing with accolades, our HHS Roaring Lion Marching Band performed magnificently in Governor Bentley's Inaugural Parade. Our band represented**

**Haleyville and Winston County in this “Invitation Only” parade and was recognized by Gov. Bentley for their outstanding representation. Congratulations on another highlight for our award winning band. The tradition of excellence continues!**

- 4. Earlier in tonight’s meeting the 2010-2011 School Calendar was amended due to missed days because of snow and ice. Please note that school will be in session on February 21, Presidents’ Day; March 10 and 11, originally planned as March Madness Days; and April 22, Good Friday. We made one day up on January 17. We hope the weather cooperates and no more days will be missed. We thank you for your understanding and cooperation in keeping with Alabama Law of 180 student attendance days and 187 faculty days.**
- 5. January is Board of Education Member Recognition Month and it is with pleasure to present our members with a Certificate of Appreciation for their service to our school system and community. Our members spend countless hours planning and contemplating the myriad of concern and issues that come before them. Haleyville is very fortunate to have the caliber of citizen-members that make up our Board of Education. In conversations with other superintendents, we are blessed that our Board always centers decisions on what is best for our students, not what is sometimes politically correct. This is not the case in all systems. This certificate is a small token for what you do, but with it comes a “thank you” from our faculty, staff and community.**
- 6. The next scheduled meeting of this Board is February 22, to be held in the Board Room of HHS at 7:00 p.m. with a Work Session prior if necessary.**
