

Dr. Clint A. Baggett
Haleyville City Schools
Superintendent's Report
To the Public
BOE Meeting
9/29/11

- **As has been mentioned many times, our members participate in Alabama Association of School Boards professional development conferences in order to improve their knowledge and abilities as local board members. December 8 -10 all members are planning on attending the AASB Delegate Conference in Birmingham. At the conference, members will determine the legislative agenda, hear national speakers on current educational topics and attend clinic sessions based on our system's needs. One of the clinic sessions, "Is it time for a Renaissance?" will be lead by Haleyville's principals, Mr. Satcher, Mr. O'Rear and Mrs. Riggs. The session will highlight how our Renaissance Program encourages academic excellence, school improvement and citizenship. Also, Mrs. Manasco will be recognized as being named to the "Masters Honor Roll" of the School Board Member Academy.**

- **In other AASB news, last month this Board as other boards of education across District 8 of the Alabama Association of School Boards held an election for District Director. Mr. James "Jim" Fisher of the Florence City Board of Education was elected to serve in this position. Congratulations Mr. Fisher.**

- **Our band participated in several marching festivals during the fall and received "Best of Class" and "Excellent"**

ratings. At the Pell City festival, they competed against larger 5A and 6A class bands and still came away with top awards. In addition to the overall band awards, the auxiliary units, the drum major, the majorettes and the flag corp were recognized for their outstanding performances. We are proud of our band and the progress it is making under the direction of Mr. Reggie Tolbert. Congratulations Roaring Lion Band!

- **Tonight I am officially announcing my intention to retire as Superintendent of Haleyville City Schools at the end of this contract year, July 1, 2012. I have been honored and blessed to serve the education community for over thirty years; a time comes when the torch should be passed; that time has for my family and me. Being an old Methodist, I learned, like preachers, to try and leave while most still like you. I hope that's what I'm doing. By announcing now, the Board will have ample time to decide who and how they want to conduct a thorough superintendent search and not leave the system with a void. I'll make other personal comments closer to the retirement date at the end of next June.**
- **This Board held a Work Session earlier today with all members present. Discussions centered on immediate and future personnel needs along with other concerns of the system. No official business was transacted. The next scheduled meeting of this Board is December 13, to be held in the Board Room of HHS at 7:00 p.m. with a Work Session prior if necessary.**
