Superintendent's Report
To the Public
BOE Meeting
12/13/11

- **Last month, it was announced that Ms. Manasco would be recognized as being named to the “Masters Honor Roll” of the School Board Member Academy at this past weekend’s Alabama Association of School Boards conference in Birmingham. What was not made public was being named an All State School Board Member. We had been asked not to make this public until it was announced during the Conference Awards Luncheon. This is a tremendous honor for Ms. Manasco and we celebrate with her. Only five members from across the state were tapped for this honor. This is the highest award AASB gives to individual members. Ms. Manasco said when accepting the award, “It has been an honor to serve on the Haleyville Board and I accept this for the system more than as an individual selection.” Ms. Manasco has served this board for 13 years and always puts what is best for the children first and foremost. Congratulations, Sandra Manasco, 2011 All-State School Board Member.**
